Bruges, Belgium

NEWSLETTER February 2020

Bart Claikens,
M.D., M.B.A.

Dear Dear Colleagues and Friends,

Update in Medical Imaging is pleased to invite you to join us in Bruges, Belgium, September 10-11th, 2020 for the International Conference "Update in Neuro Imaging".

Mauricio Castillo, MD, MC, FACR (Department of Radiology, University of North Carolina School of Medicine, Chapel Hill, US) accepted our invitation to chair as visiting president.

Following international rewarded faculty members will present their state-of-the-art lectures and case studies:

- ✓ Bart Claikens, president UMI, Ostend, BE
- ✓ Mauricio Castillo, visiting president, Chapel Hill, USA
- ✓ Laurens De Cocker, Ghent, BE
- ✓ Patrick Seynaeve, Kortrijk, BE
- ✓ Luc Van den Hauwe, Antwerp, BE
- ✓ Sven Dekeyzer, Antwerp, BE
- ✓ Julie Lambert, Leuven, BE
- ✓ Tom Debeule, Genk, BE
- ✓ Sofie Van Cauter, Genk, BE
- ✓ Jan Casselman, Bruges, BE
- ✓ Aad van der Lugt, Rotterdam, NL
- ✓ Sofie Van Cauter, Genk, BE
- ✓ Christoph Stippich, Zurich, CH

This international event will focus on neurological imaging, intervention and pathology. Our faculty will provide a detailed synopsis and a review of the current knowledge in imaging and intervention science, technique, interpretation and explanation how medical imaging is an important tool in accurate diagnosis and care.

During this edition, besides the conference for physicians, dedicated and customized parallel sessions for medical imaging technologist will be provided. Detailed information will be soon available.

Why should you attend this conference?

- ✓ Distinguished and Rewarded International Faculty
- ✓ Close Interaction with International Attendees and Faculty
- ✓ Refreshing Content providing New Perspectives
- ✓ State-of-the-art Lectures
- ✓ Hot Topic Tutorial Lectures
- ✓ Self-assessment Learning Cases
- ✓ Interactive Sessions on Ethics, Economy and Radioprotection
- ✓ Interaction with Industrial Partners and Proximity of Industrial Booth
- ✓ Dedicated Sessions for Medical Technologists
- ✓ European CME Credits are being sought by the European Accreditation Council for Continuing Medical Education (EACCME)
- ✓ Credits for Ethics and Economy and being sought by the Belgian Accreditation Council.
- ✓ Radioprotection Certificates are being sought by the Belgian Federal Agency of Nuclear Control (FANC).
