

Update in Neuro Imaging
October, 21-22, 2021
Bruges, Belgium

UPDATE IN MEDICAL IMAGING WANTS YOUR EXHIBITION !
Young Radiologist Electronic Poster Powerpoint Exhibition

Dear Colleagues,
Dear Internship Supervisors,
Dear Young Colleagues,

In collaboration with the YRS (Young Radiology Society of Belgian Society of Radiology) , we proudly provide a **stage for young radiology residents in training** at this international conference.

www.update-medical-imaging.be

A **dedicated electronic poster / powerpoint exhibition** will be organised, where residents-in-training can present their electronic poster onsite : **case reports** or **litterature studies** in **neuro-imaging**.

Young Radiologist Electronic Poster Powerpoint Exhibition

Fist authors must be full time residents in training radiology and registered for the congress.
Accepted posters are presented electronically during the conference, no oral presentations.
Cases or litterature studies are presented in slide-show / powerpoint format (max 25 slides).

Dedicated displays and platforms are available during conference .
Posters will be published in pdf on conference website, upon agreement.

Please provide the **abstract** of your Electronic Poster Powerpoint Exhibition **before July 1st, 2021** by mail to bclaikens@azdamiaan.be with following content:

Name-surname
Affiliation and hospital
Contact e-mail
Letter of prove as resident in training
Title of poster (case or litterature review)

Authors

Maximum 250 words abstract of the poster presentation

The organising committee will select at least 10 authors for the Young Radiologist Electronic Poster Powerpoint Exhibition , **witch will be contacted before August 1st , 2021**. Submitting authors of the accepted exhibition will be contacted by e-mail.

Invitations for the accepted Electronic Poster Powerpoint **upload** will be sent out **mid September 2021**.

If selected, **a reduced fee of the regular resident registration** is granted.
An award for the best presentation is also provided.

Do not hesitate to contact me by mail, if further information is needed.
Hope to welcome you at our meeting !

Kind regards,

Bart Claikens, MD, MBA
President Update in Medical Imaging
